

	Dec/Jan2012	Feb/Mar	Apr/May	Jun/Jul	Aug/Sep	Oct/Nov	Dec/Jan 2013
Feature	Food Nanotechnology	Career Development of Food Safety Professionals	Germany One Year Later: The Fight Against Super Bugs	Profile of Food Quality Award Winner	Global Partnerships in Food Safety	Keep it Clean: Sanitation Education and Efforts in the 21st Century	The Year in Food Safety: Advancements in Testing, Regulations and Equipment
Series	Series: The Evolution of Food Science and Safety Technology	Series: Innovators in Food Quality and Safety	Series: Innovators in Food Quality and Safety	Series: Innovators in Food Quality and Safety	Series: Innovators in Food Quality and Safety	Series: Innovators in Food Quality and Safety	Series: Innovators in Food Quality and Safety
Quality	Vendor Auditing	GFSI	Training Employees	Contract Labs	Allergens	Handling Product Recalls	Auditing/Validation
In the Lab	GMO Testing	Advances in Laboratory Methods	Pathogen Control	Advances in Lab Methods	Good Laboratory Practices	Physical Property Testing	Lab Software
Equipment/ Instrumentation		Test Drive: New supply-chain quality assurance gear	Test Drive: New employee training/sanitation gear/courses	Test Drive: New CIP/SIP gear"	Test Drive: New Cold-chain Maintenance Gear	Test Drive: New Containment/Transport Gear"	Test Drive: New Food-processing Gear"
Raw Material Testing	Grain	E. Coli and Mycotoxins	Supplier's Ingredients/ Additives	Produce	Salmonella and Campylobacter	Meat and Poultry	Seafood
Manufacturing and Distribution	Process Controls	Temperature/Humidity Control	Tracking & Traceability	Maintaining the Cold Chain	Foreign Object Control	IT for the Food Industry	Effective HACCP and ISO 22000 Programs
Safety and Sanitation	Preventive Best Practices	Pest Control Update	Hygiene Monitoring	Clean in Place	Outsourcing Services	Disinfectant Update	Pre-Employment Screening
Food Service and Retail	Sanitation Problem Areas	Color Coding	Introduction to Sanitation	Educating Your Employees	Teaching Cultural Sensitivity	Hand Washing Tools	Effective Sanitation
FSMA Update			Implementation/guidelines progress		How companies are gearing up to comply		Two-year summary
Regulatory Report	Worldwide Regulations	Worldwide Regulations	Worldwide Regulations	Worldwide Regulations	Worldwide Regulations	Worldwide Regulations	Worldwide Regulations
Product Focus		Lab Equipment	Microbiology Equipment and Supplies	Contract Lab Services	Physical Property Analysis	Sanitation Equipment Supplies and Services	Diagnostic Test Kits
Show Distribution		Pittcon	FSS, UF-AMI, ASM	IAFP, IFT	AOAC	Pack Expo
